Hi Guys.

SO per another national requests, I find I'm digging through my files (and losing my mind:-O) because I don't seem to be able to find what the Phase 1 cost ended up being. I found the dredging along unit cost you sent me earlier in the year, but not the total – for some reason I have \$80M in my head but that might just be a remnant from the earlier estimates of costs for the 2 removal actions.

I don't need an exact number, but ball park? I know I've gotten this info from you before and must have it written down somewhere but am having no luck finding it. Sorry to be a pest!

Thanks and have a good day!
